Foreword

We have chosen "Happy Hours" as our theme, for we feel the majority of us have enjoyed our most exciting hours here at Tulare High. We hope you will always use your time wisely, for to become a success in our vast society we must forge ahead, never putting off our important duties. The following famous quote best sums up our thoughts:

"Know the true value of time; snatch, seize, and enjoy every moment of it. No idleness, no laziness, no procrastination; never put off until tomorrow what you can do today."

Dedicated to
Mr. Donovan Cartwright

O guardian of our alma mater!
(Lone child once of you--now but one of two),
Giver of life-blood, our living water--:
Praise that be the clue what our feelings are for you:

Drawer of the curtain from the black weather,
Bringer to our sight visions full of light,
Stay by our sides; let us walk together
Through day and through night, by you both made bright.

Advisor, friend, our torch-bearer forever,
Our big beaming sun: light the path we run,
That we may go and lose our ways never,
Till the race is done, until it is won.

For what you have done, for what you will do,
This Argus, sir, becomes our gift to you.

--By Morris Dean

Mr. Cartwright chats with Mrs. Valentine
at the annual Teachers' Tea.

Mr. Cartwright's interest in school
affairs leads him to conversation
with Mr. Morrelli and Mr. Stowell.

One of Mr. Cartwright's hobbies is photography and here he finds
likely subjects at the 20-30 relays.

Superintendent's Message

Things that endure are said to have stood the test of time. The criteria of time testing might very well be applied to education as it has dramatically justified its worth and its cost. Although our history books and current writers pass over this basic element in the development of our society and economy lightly, nevertheless, without our public schools, time would have passed us by.

Donovan Cartwright

Principal's Message

The theme "Time", is most appropriate for a school year book. The philosophic topic most popular in relation to this theme, the importance of the present, becomes very pronounced to seniors at graduation--a time generally recognized as a turning point where a single decision chooses among future paths which may lead to different ways of life. Faced with these choices the graduate must surely agree with the philosopher, "The time is now." As he ponders over these decisions, he finds that his present choices are controlled by past decisions and actions. Choice of courses, attendance records, and grades during the years in high school determine whether or not he is sought after or rejected by colleges or employers. At this point the fuller meaning of the philosopher becomes apparent. Each moment once spent, is irretrievable, and the acts performed or decisions made become an integral factor in all later decisions.

Mr. Babb inspects a power mower.

It takes many hours of work by many people to keep our high school running smoothly, to keep the campus well trimmed and beautiful, to keep the playing fields and tennis courts in good condition, the buildings well maintained and painted.

Many of the custodians work at night in order to keep the classrooms clean and in order. The mechanics in the bus garage keep the busses running smoothly so the drivers are able to make their daily runs during the school year to bring in the students from the outlying districts.

It was impossible to obtain pictures of all our custodians, yard men, bus maintenance men and others who daily spend their time and effort to keep our high school in the best possible condition. Our appreciation and thanks go to these people.

Mr. Seaman keeps the big busses clean inside and outside.

MORRIS DEAN

Time is a just and merciful judge of Man. As the Present she weighs all Man's decisions and actions on the scales of eternal Goodness and Wisdom; as the Future she either rewards him in accordance with the Solomonic Will he has exercised in his choices, or punishes him for his neglect of the Truth and for his indulgence in platitudes and frivolity. Mercy rules her: only when she is the Past is Man beyond a second chance.

Enthusiastic and hard working are two words that well describe the vitality of the Senior Class this year. With great success the class sponsored the traditional Christmas Dance. On April 1, the Senior Class presented their annual class play entitled "Anastasia" for which they were well rewarded for all their labor. They are also to be admired for their help in supporting the Korean girl, Ok Hi Ho.

It was a very active year for the Sophomore Class Council. The first semester council activities were varied and interesting; the Council helped decorate goal posts for home football games and helped with the concession stands. The second semester studied and selected the designs for the class rings. They also served at the Junior-Senior Prom, and, as a last gesture to their departing Seniors, the sophomores decorated for the Commencement Program.

In future years it is hoped that other Freshman Councils will be able to do the good job that has been done this year. In spite of their inexperience this year's freshmen rose to the challenge of their first year in high school government. They were fortunate in having a very good sponsor, Mrs. Willie Tomlinson.

The first semester officers got the ball rolling with lots of activities in which freshmen participated. The second semester council picked up this work and carried it on to a grand finish.

The three Hawaiian girls attired in Muu Muu's conversing between dances are Nancy Walker, Ann Edminster and Marcia Beck.

Final touches were completed by Alan Burton, Dana Damron, Nadine Burry and Van Houdyshell.

Decorating for the Prom were: Front Row: Connie Haslam, Nadine Burry, Lupe Beltran, Dana Damron, Judy Osterman, Karen Lowe, Gwen Goble. 2nd Row: Jesslyn Phelps, Van Houdyshell, Pat Shannon, John McGrew, Mike Robinett, Alan Burton, Jack Clark, Johnny Castro and Jim Cooper.

Hawaii was the setting for our annual Junior-Senior Prom. Lush greenery, flowers, murals of the islands, and grass huts gave the feeling of a south sea paradise. Huts were placed around the room with Jimmy Coughran and his orchestra within the largest hut. Shades of pink and purple fading into coral, created an illusion of a Hawaiian sunset. The entrance depicted a jungle trail opening into a village over a bridge with magnolias and gardenias floating in the pond below.

Nadine Burry and Dana Damron were chairmen for the event with other juniors contributing much of the work. By tradition, Freshmen decorated the powder room, and the Sophomores served refreshments in the Alumni Court.

1959

Enjoying refreshments in the Alumni Court are Barbara Frost, John Shipley, Cheryl Henard, Duane Miller (partially hidden), Roger Gordon (back to camera), and Martha Dorei.

Karen Lowe and Van Houdyshell dance as Sophomore Hawaiians look on.

Handsome young men and girls in beautiful gowns danced the night away.

Junior Class President Jack Clark and co-chairmen of the Prom, Nadine Burry and Dana Damron, with their escorts lead off the Grand March.

Prom

Barefoot girls primp and gossip between dances.

Our annual Senior Christmas Dance was held at the Town and Country Club, thanks to the generosity of some Senior parents who paid for the rent of the club as their gift to the student body. Under the direction of Pat Bryan and supervision of Miss Lois Thompson, class advisor, seniors decorated the hall with Christmas finery. Music by the "Chantiers" set the atmosphere, making the affair one of the finest of the school year.

Christmas Dance

Jim Rix and Bonnie Court draw stares as they giggle oversomething.

Slips whirl and knees bend as the dance gets into full swing.

Just a few couples remaining to the end are attracted by the camera.

All-American Guy, Mike Manro, and Girls' League President, Kay Adams, lead the Grand March.

Nadine Burry, Dana Damron and Kay Davis work on the decorations for the entrance archway.

Backward Dance

"Spring Is Bustin' Out All Over" was a very appropriate theme for this year's Backward Dance, sponsored by the Girls' League Council. Co-Chairmen for the event were Bernadette Costa and Marcia Posson.

Decorations for the dance typified the starting of spring; on the walls were huge flowers and love-birds. The entrance was a glitter covered bridge which supported a white archway entwined with variegated flowers; in the center of the room was a large fountain. A main attraction was the presentation of "Girls' League Guy"--Mike Manro, who led the Grand March. All in all the dance was a huge success.

A centerpiece of ivy, bricks, and wire was the base of a water fountain of tinsel.

Refreshments are plentiful and enjoyed by many.

"Pick up two and circle to the left" is followed through by all the sets.

Six hands up while the king and queen do-ce-do.

Freshmen are also fans of social dancing.

Freshman Dance

Happy, dreamy, and cute freshmen end a night of dancing.

Gala affair, that sums the freshman dance up in a nutshell. The freshmen chose the National Guard Armory for their annual fall dance. They started the evening off with square dancing and ended it with social dancing along with refreshments. The teachers from the Physical Education department called the dances while the home room teachers and the class sponsor acted as chaperones.

After Game Dances

Because of the condition of the gym the After-Game Dances have been held in the Memorial Auditorium this year. The dances, held after home football and basketball games, are sponsored by different clubs as money raising projects. Music is supplied by different bands.

Claude May and partner display their dancing technics.

Slow waltzes are favorites with the couples.

3 Slightly dazed students dance after a basketball victory.

As the dance comes to a close, a few students dream away the last dance.

Decorations, fast music, and energy are still prominent in the wee hours.

Anastasia

*to a real life

Ambitious seniors tackled a rather difficult piece of drama this year when they chose "Anastasia" for their Senior Play. The play concerns a young girl taken in by a prince and his sidekicks, a banker and an artist, because of her resemblance to Princess Anastasia. They plan to use her to get an endorsement from Anastasia's grandmother, that she is the real princess. With her approval they could obtain the money left by Anastasia's father. Throughout the play, the secret remains whether or not she is the real Anastasia. Those who saw the play were very much entertained by the spontaneous humor of the banker and the tender scenes between the young girl and Anastasia's grandmother.

several of the things I saw in the play

Those in the cast were: Jim Rix, Nancy Morris, Emily Renaud, Morris Dean, Paul Korte, Carl Sparks, Ernest Artim, Alan Burton, De De Martin, Garyalynn White, Dennis O' Barr Elden Kilby and Rose Margaret Ruiz.

Student director was Dana Damron and faculty advisors were Miss Shirley Skufca and Mr. Charles Herndon.

Jim Rix points out a likeness to Morris Dean, Nancy Morris and Paul Korte.

Nancy Morris, as Anastasia, looks quite bewildered in her new surroundings.

Garyalynn White and De De Martin practice curtsying for Paul Korte.

Junior Play

Third angel, John Berryhill, is content with the oldsters he brought together.

Burke McMurdo, the near-sighted college boy, sprawls out on the floor looking quite bewildered.

Judy McAnally and Sylvia Winters are solemn looking, while Jan Strawmyer and Donna McNatt are quite preoccupied with themselves.

Two of the angels, Judy McAnally and Pete Houck, are rather disturbed with their results on earth.

Kay Glass, the humorous maid, bawls over her lost love.

Dave Fredrickson, the old seafarer, looks rather leery. Wonder why?

Bettye Knapp's "Down to Earth", directed by Miss Shirley Skufca and Mr. Charles Herndon, with student assistance from Judy Kelley, was presented by the Junior Class as their annual production.

Two angels, Agnes and Wilfred descended to earth and could not return without the souls of Augusta Applegate and Herman Howell. Pilone, a half angel, tagged along in hopes of attaining his second wing. He melted the heart of Augusta causing her to fall in love with Herman, and to give away her fortune to her spend-thrift relatives. Pilone also succeeds in winning the heart of Diana Clump, the scatterbrained maid of Augusta. The story ends with Pilone receiving his second wing and returning to heaven with Agnes, Wilfred, and the soul of Diana.

In the cast were: Judy McAnally, Pete Houck, Sylvia Winters, Dave Frederickson, John Berryhill, Ruth Kent, Billie Jean O'Brien, Susan Kandarian, Charles Smythe, Jan Strawmyer, and Burke McMurdo.

Having fun at the rehearsals are the three angels, John Berryhill, Judy McAnally and Pete Houck.

Student Director

Donna McNatt, Susan Kandarian, Chuck Smythe and Billie Jean O'Brien discuss family affairs while the rich aunt, Sylvia Winters, takes no part in it.

Vivacious pom-pom girls lead off a rally with one of their original routines.

We must not waste time for that
is the stuff life is made of.

Allan Hough repairs one of the carts used on the farm.

Agriculture

One of the many courses at Tulare High is Agriculture. It is given to students who are interested in becoming farmers, or who are already living on farms and wish to improve their methods. During the fall of 1959, boys taking the agriculture course competed in the cotton judging contest at Fresno. All the high schools in the San Joaquin Valley, that offer an agriculture course, were invited to participate.

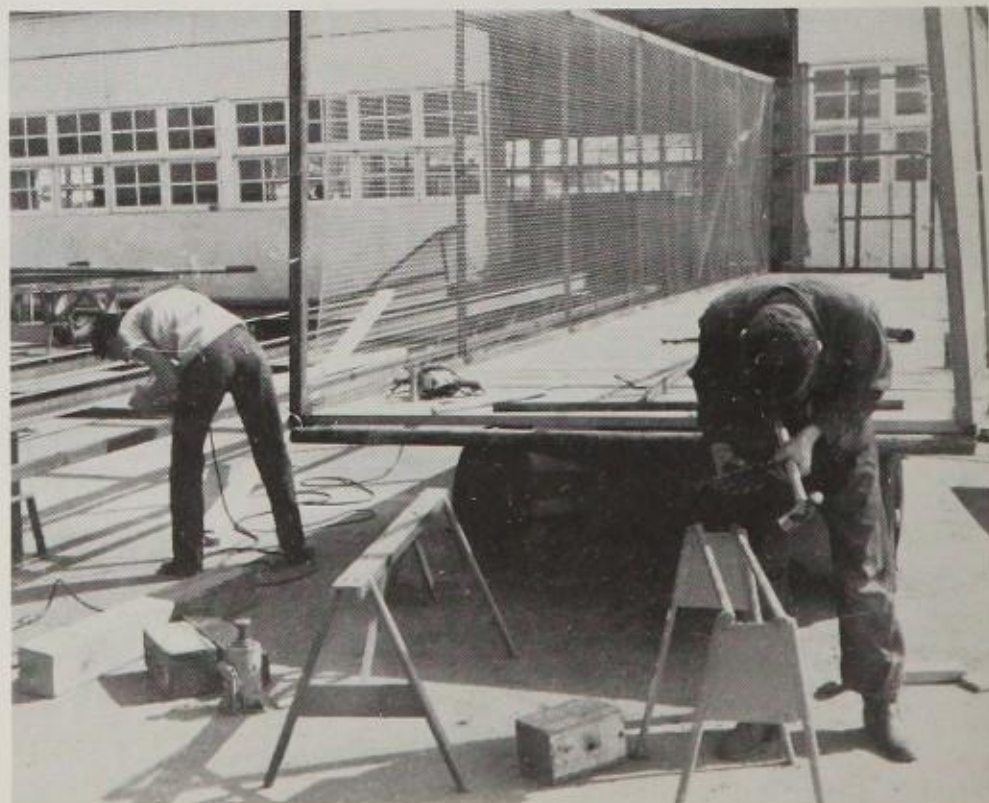

We wish to extend our congratulations to these boys taking this course. In this atomic age let us never forget the farmer, for food makes a nation strong.

Carpentry is one of the facets of agriculture.

All the boys are careful with their tools and keep them in good working order.

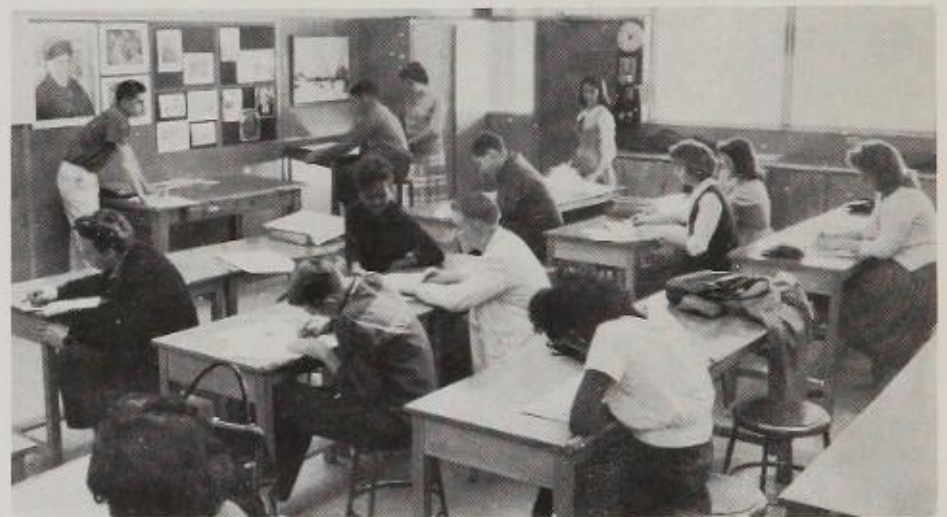

The boys make their own trailer beds in their work shop.

Arts and Crafts

Courses in the fields of Arts and Crafts are designed to provide opportunities for students with exceptional ability or vocational interests in addition to general instruction. Coupled with basic information and a knowledge of art history and appreciation, maximum individual development is an important part of the program.

Exactness and perfection are goals in the art classes.

Etching is difficult to perfect and requires patience.

Art I students concentrate on their drawing.

Tools and skill are key requirements in crafts.

Business

Tulare high school offers a comprehensive program of study in the Business Department. Over ten courses are available to help prepare and train students for whatever phase of the business world they wish to enter.

Bookkeeping students work on their ledgers.

Business students learn the correct way to answer a telephone.

Business machine classes acquire skill and speed as they practice.

Miss Kruse gives assistance to her business students.

Straight lines require many hours of practice.

Driver Education

Driver Training, along with being fun, is very helpful to students just beginning to drive. It acquaints young drivers with the traffic laws and helps them attain self-confidence. Driver training is required of all students for graduation.

Glenda Scott learns the basic fundamentals of driving from Mr. Claude Retherford.

Cadets

The Cadet Corps provides military training at Tulare High. The Rifle Team is a popular feature of the program and has won many honors in state competition. The Cadets also take a trip to Fort Ord to further their knowledge of military tactics.

Our championship rifle team brought home honors for TUHS.

Mr. Jesse Correll explains the way to apply the brakes when stopping.

Homework is reviewed in class daily.

Mrs. Tomlinson lectures to her class on English fundamentals.

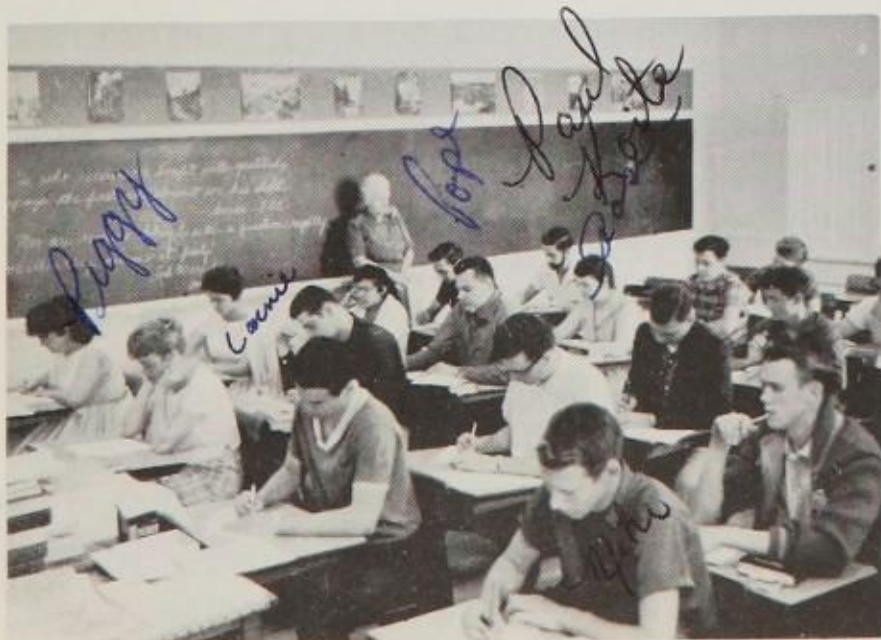

English

Our English Department at TUHS has long been considered one of the best in the state. The program is especially planned to meet the needs of students at all levels. Students taking University and College Prep, or Secretarial courses cover literature and grammar in "A" English classes. Most Business and Vocational students find "B" English appropriate while "C" English stresses fundamentals.

English IV A classes took many English placement tests from various colleges.

A new class, reading improvement, has helped many seniors pass entrance exams.

Business English reviews nouns and pronouns.

Foreign Languages

Latin, French, and Spanish are given two and three years respectively. These classes not only impart a knowledge of the language but also something of the customs.

Each spring French and Latin students have a banquet consisting of delicacies eaten by the people of each country. Roast pig and snails are the main courses as first year students serve the second year students.

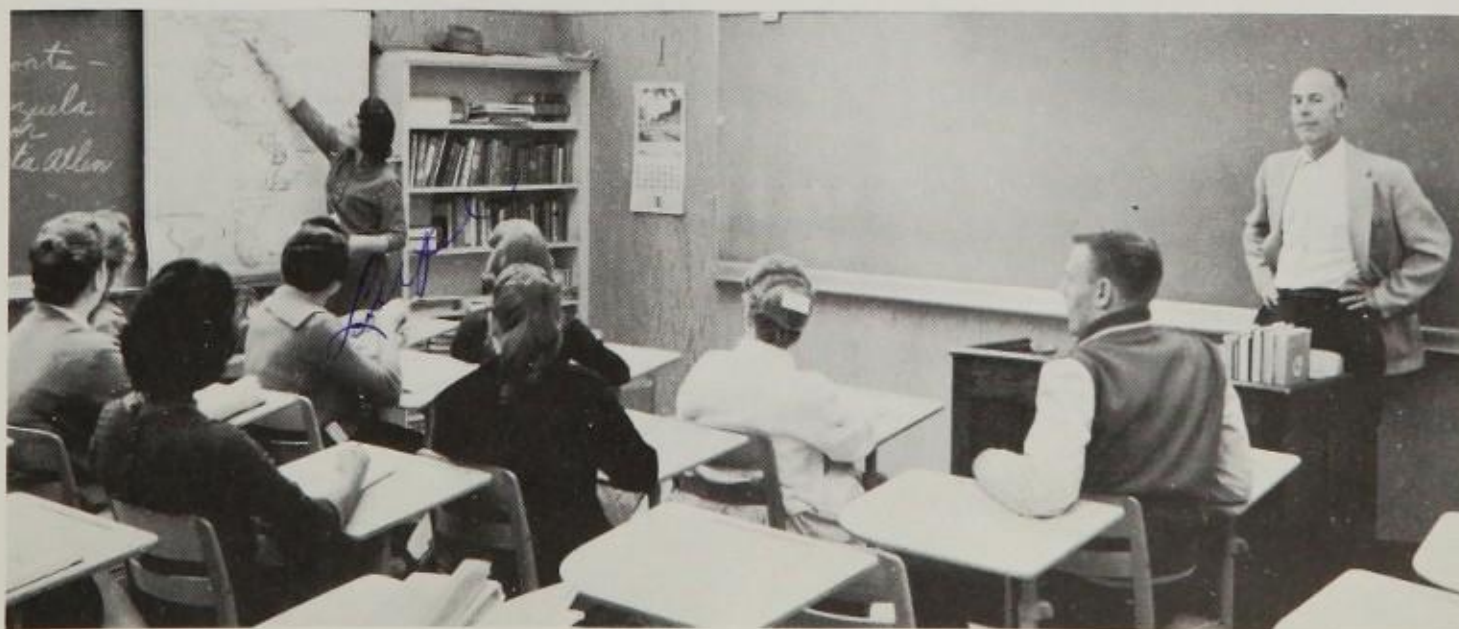

Mr. Morris Knudsen conducts his classes in French.

Mr. Knudsen gives daily translations in his Latin II class.

Spanish I students try to name the object held by Mr. Eliceche.

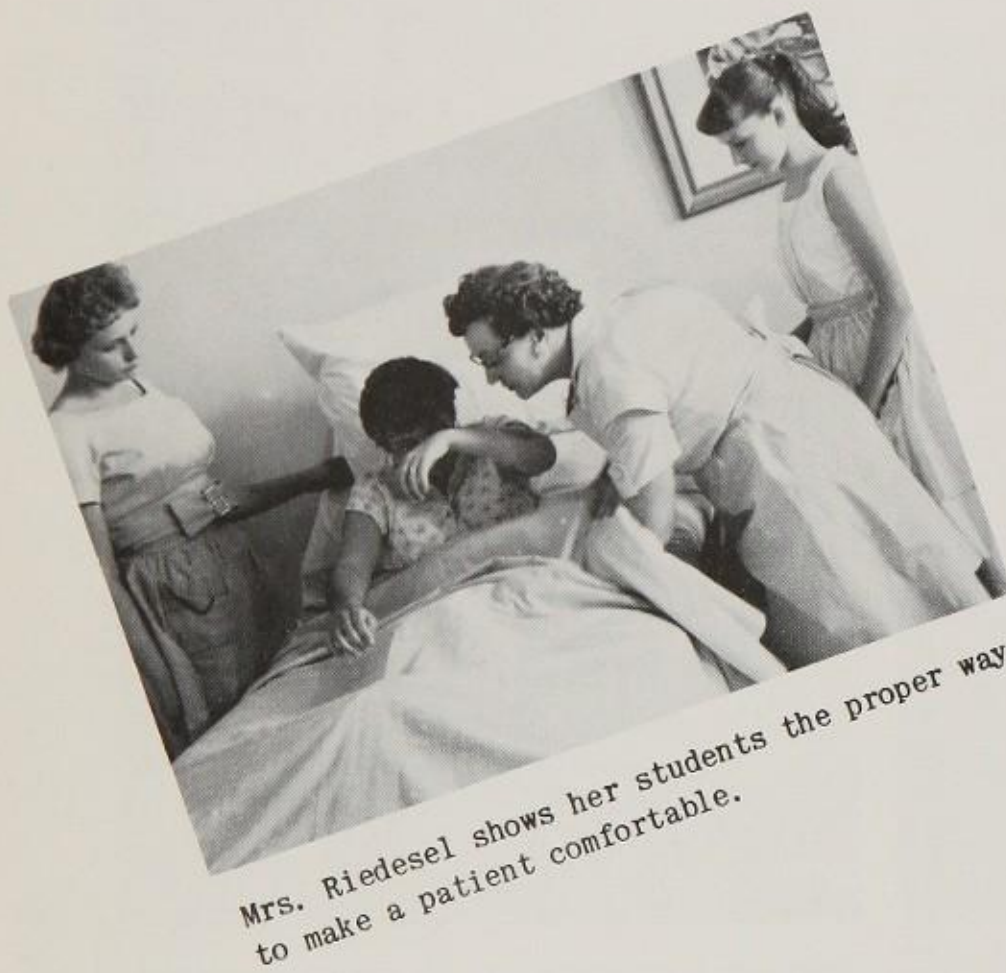

Spanish classes learn the geography of the country as well as the language.

Homemaking teaches the girls the useful art of sewing.

Homemaking

Tulare High's Homemaking Department specializes in clothing and foods. From these courses the girls have a better understanding of how to operate a household. This program, a four year course, has many assets to later years of life. Specialized classes in the department include dietetics, sewing, child care, home nursing, designing and cooking.

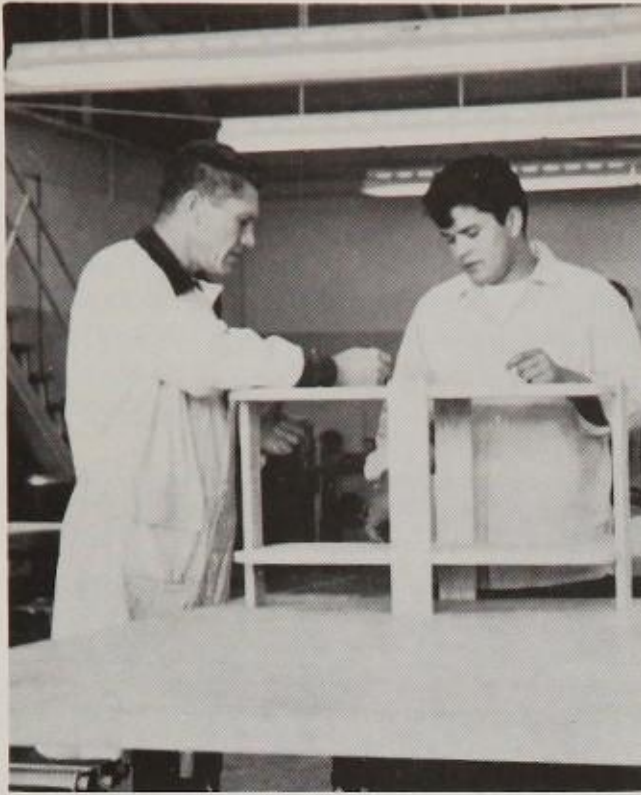

Mrs. Riedesel shows her students the proper way to make a patient comfortable.

Girls learn to follow instructions from a cook book.

Food classes enjoy eating their own cooking.

Richard Ortiz is attentive while Mr. Lambrecht helps him with his woodwork project.

Members of auto mechanics class forget all cleanliness as they work on greasy cars.

Industrial

Industry is a vast society in the world today. In order to properly introduce students to this society, TUHS has courses in automotive mechanics, metal shop, mechanical drawing, radio, electricity, stage crafts, audio visual mechanics, and carpentry.

To make a happy, useful, successful citizen of each student and to give him skills and knowledge that would enable him to provide for himself and his family is the goal of the industrial department.

Mr. Witte and five of his students wind an electric motor.

Mr. Miller demonstrates the lathe to his class.

Mr. Coleman helps Caryn Findley as Ronnie Criswell watches.

Journalism

Journalism classes prepare material for the Warwhoop and the Argus. Students gain first hand experience in editing and publishing a school newspaper and yearbook. The requirements are an interest in school affairs, and the ability to do creative writing.

LaVon Porter and Margaret Hepburn study yearbooks as Patsy Bryan works and Julia Bailey looks on.

Lavon Porter and Margaret Hepburn check pages for the Argus.

Mr. Jack Sheley discusses future plans with his future editor.

All female members of Warwhoop staff work on assignments.

Kay Waite, Warwhoop editor, and Dave Frederickson, sports editor, examine old Warwhoops.

Library

About fifty students work daily in our school library, filing, checking books in and out, and helping students find material. Their work, under the supervision of Mrs. Alfreda Foxley, counts as a regular class.

Book index files are important to every librarian.

Checking books in and out requires much of the student's time.

Stage setting and scenery must be proportioned to make an effective background.

Acting in front of the class is a main factor in acquainting the student with the art of drama.

Drama

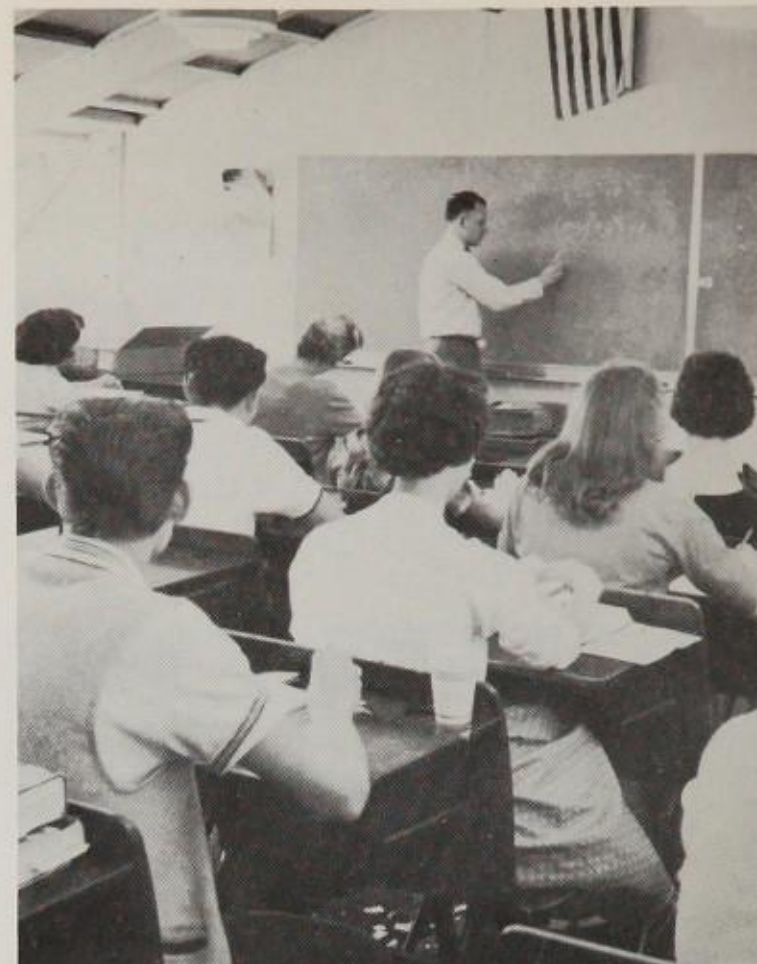

Football players in a beauty contest! One of the best pep assemblies of the year started the terrific football season. Drama class has produced and assisted in various activities, such as the Christmas program, "Why the Chimes Rang", a fine arts production in which the narration was done by a drama student.

In class the students acquire poise and sureness in speaking and acting. One act plays and short speeches comprise the curriculum.

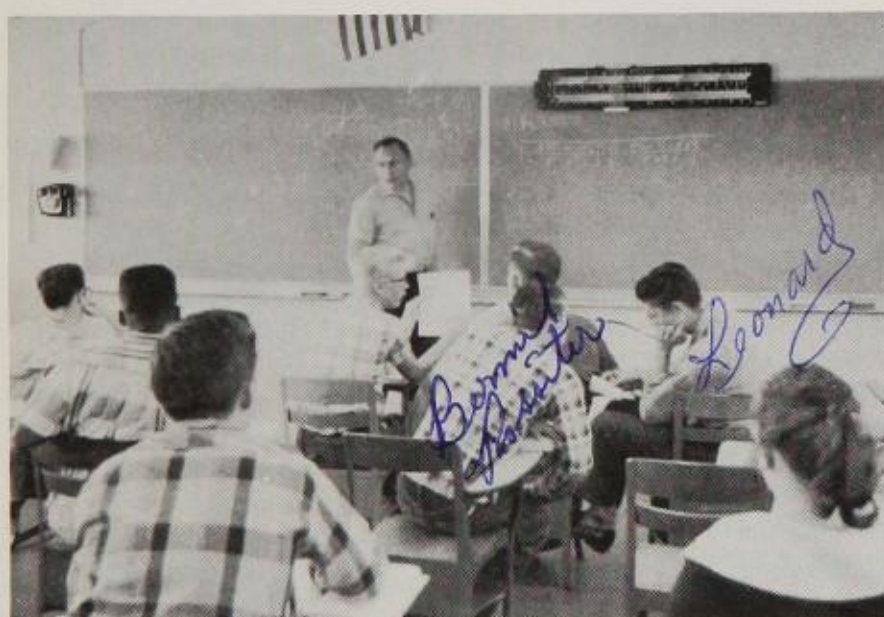

Algebra I students study diligently for Mr. Gendelman.

Mathematics

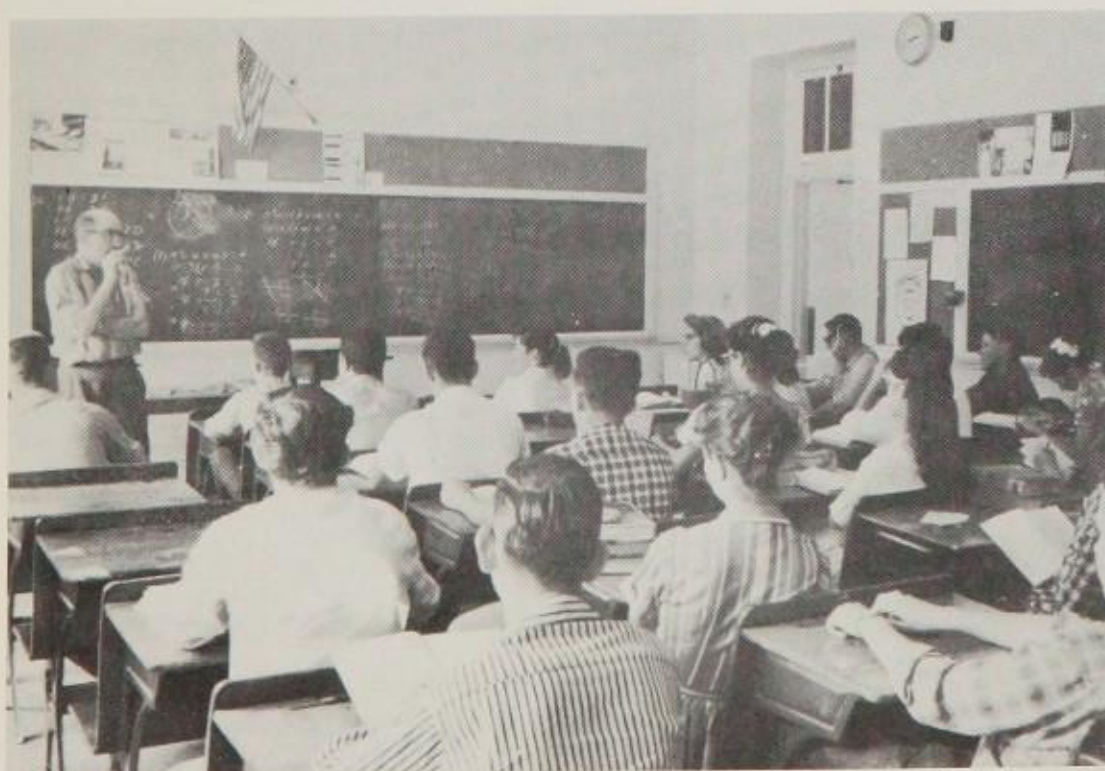

Mr. Wilson works a problem for his Algebra class.

Algebra III students listen as Mr. Court explains a formula.

Mathematics serves as an important part of the general education at Tulare High. Many different types of math are offered. In addition to the college preparatory math programs, business and industrial mathematics courses meet individual student needs and interests. A fifth year course, algebra III, is being offered this year to students who have completed algebra I and II, geometry, and trigonometry.

Mr. Lawrence watches as a student works a problem in industrial math.

Algebra I teacher Mr. Gott waits for an answer.

Physical Education

Since the TUHS Physical Education program has always included calisthenics, gymnastics, and individual competition, the current emphasis towards fitness has not basically altered it. Ability grouping within classes encourages students to master many skills and enables them to reach a higher degree of personal advancement.

Members of the modern dance group pose for the photographer.

Radio and Stage Crafts

The main purpose of the radio and stage crafts class is to give students a better understanding of how radios operate and to teach students the proper working of behind-the-stage devices.

Electronic diagrams of radio receivers are the first steps in Radio I.

Larry Morris, Egedio Viera, and Mr. Nelson Witte replace tubes in a radio.

Gary Mount and Mike Manro work together to repair a radio.

Mr. Witte supervises as the boys set up a spotlight.

Alan Burton, Jerry Garvin and Dennis Perry are expecting quite a shock as they measure electric currents.

Static electricity catches the interest of the physics class.

Science

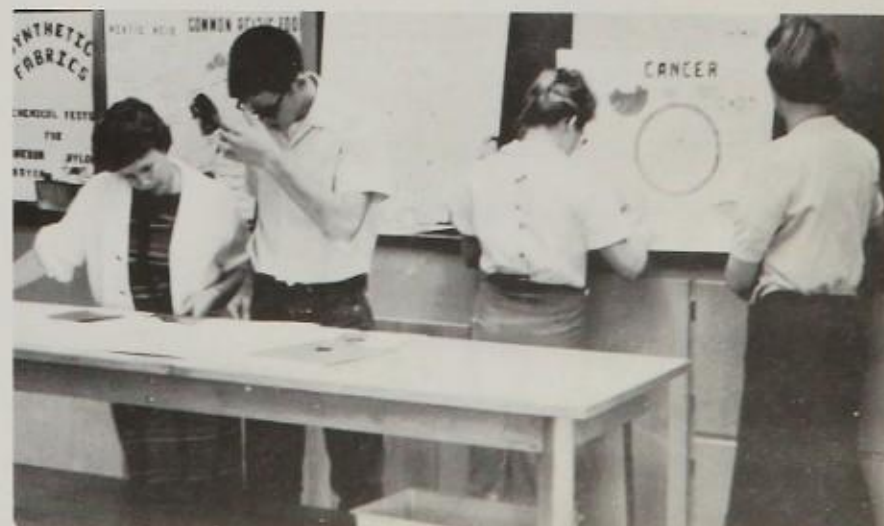

Many of the students enrolled at TUHS take science in one form or another. General Science gives the students a wide knowledge of a variety of sciences. There are also several classes which deal with specific branches of science. Laboratory Biology deals with the origin, structure, and function of living organisms, both plant and animal. Physics is the study of matter and energy and their effect upon each other and is also a study of heat, light, sound and electricity. Chemistry is the study of nature and the composition of different kinds of matter.

Anatomy of the body is easily studied with the help of a skeleton.

Science fair projects are arranged by the students.

Fair topics are varied and all the students view the displays with interest.

Social Studies

Mr. Coon uses testing as a learning device.

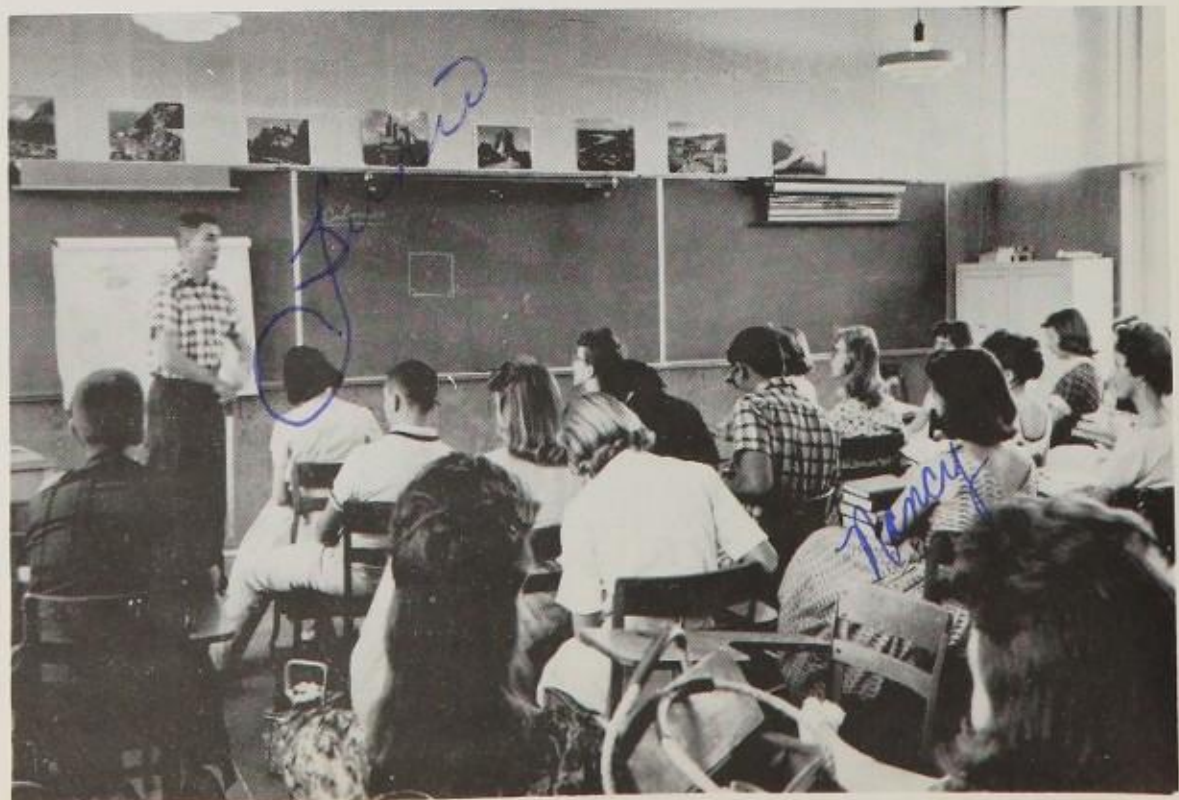

Mr. King explains the set up of the C.I.D. to his U. S. History classes.

Courses in Social Studies are planned to help students gain an understanding of man and the world in which he lives. Freshmen cover material on personal adjustment and vocational exploration. In addition to world history Sophomores receive a unit in driver education. Juniors study United States history and Seniors take one semester of state and local government or a full year of Social Studies IV. Modern civilization is offered as an upper division elective.

Mr. Longlee's history class listens as he explains the settling of colonies.

Social Studies II classes learn the geography and history of the world.

Hard-fought and brilliantly played football brought back the prodigal C.Y.L. Championship to Tulare after five years away from home. J. V. and C Football

Tulare's J.V.'s won every game they entered this year. Aside from a defense akin to a stone wall, the varsity reserves boasted an offensive onslaught vigorous on the ground and through the air. A J.V. year like this indicates success for a future varsity aggregation.

Two teams were necessary to hold all the bustling C Class football hopefuls, who played a total of fifteen games, piling up a league record of two wins and three losses. Outstanding players, as voted by the coaches, were David Wilbourn, David Ny, and Don Pinheiro.

Redskin racquet swingers continued among the best in the San Joaquin Valley, winning all six of their fall matches; capturing the Tulare-Kings Counties High School Championships--with a complete sweep of girls' events--the Kingsburg American Legion Tournament, and Sweepstakes in the Selma Union High School Invitational.

TUHS finished third in Central Yosemite League match play, then took the CYL Tournament. During the spring season, Tulare frequently played two matches on the same day, one away, one at home. This was possible because of the large number of players who fought to gain a varsity letter.

Records for the year show the following wins and losses:

TUHS defeated Clovis, 4; Porterville, 2; Redwood 2; Lindsay, 3; Delano, 2; Hanford, 2; Mt. Whitney, 3; Reedley, 2; Exeter, 2; Arvin girls, 2; Wasco, 2; Tranquillity, 2; South Bakersfield, East Bakersfield, Taft, Selma, and Woodlake, once each.

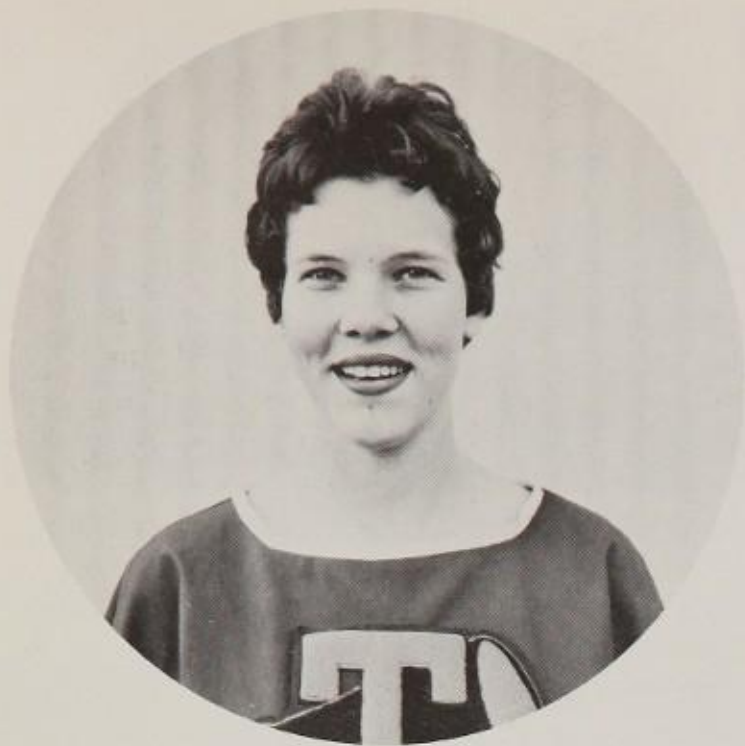

TUHS lost to Mt. Whitney, 3; Porterville, 2; Redwood, Wasco and Strathmore, once each, and tied Reedley, Madera, Fresno and East Bakersfield.

Outstanding players were Seniors Virginia Infante and Lu Ann Oden; Juniors David Koon, Charles Richardson, Jan Swanson, Richard Garvin, Suzanne Soultis, and Kay Glass; Sophomores Marla Swanson, Leslie Knapp, Doris Havens, Ardelle Aulman, Judy Williams, Virginia Thompson, and Don Miller; and Freshmen Midge Ray, Sidney Shirley, Marcia Zink, Mary Jarvis and Stanley Loar.

CLAUDE RETHERFORD

The TUHS basketball team enjoyed another successful season, winning 14 and losing 9, and placing third in the C.Y.L. Coach Claude Retherford's Redskins got off to a fast start in league play the first round, winning 4 straight. A turn of events caused much unrest in the Redskin camp. Mike Manro missed an all important Delano game due to a boil and the Redskins suffered their first league loss. After that, they were three weeks in regaining their poise, and by that time the Hanford Bulldogs had wrapped up the league. The Redskins, for the second straight year, had the distinction of beating every team in the league at least once.

Mike Manro made all-league, Max Choboian, second team all-league, and Harry Ashmore made honorable mention in all-league. Other seniors who did outstanding jobs throughout the season were Jerry Bryant, Carl Corley, Sam Trenary, Larry Knapp, and Phillip Chacon.

Underclassmen who will be back next season include: Larry Chacon, Leon Shaver, Garth Brott, Jan Swanson, and George Chacon. Returning also is Manager Ron Carvalho, who has been with the Redskins three years.

Tulare's ability in J.V. competition was proven again, as the J.V. basketball team compiled an eight win, two loss record--the best in the league. When Coach Marshall was asked, "Who was outstanding?" he said, "All of them." That is the finest tribute that can be related to the team. There were four boys who were particularly aggressive, however, in certain categories. Joe Debise was high scorer averaging 11.3 points per game in league play. Tom Moreno was tops on defense. Jan Swanson led in rebounding. Jim Lambrecht was the most consistent.

B Basketball

Percy Carr was the captain elect of the B team, coached by Mr. Cliff Wise. Regular players, who guided the squad to third place in the league were Carr Eddie Ashworth, Barry Staley, George Chacon, Kent Brown, Dewayne Baxley and Allen Toledo. Varsity Baseball

It is too bad this had to be written before the season was over, for the team was just beginning to show some class at the time of writing. The nine-senior team sported a 3-6 record on the league at that time. Starting off hot, the team cooled down into a general slump for several weeks, when they could not buy a hit. The eye became sharp and the bat powerful, however, and Coach Morrelli had an eye on second or third place, given an end-of-the-season spurt.

Front Row: Percy Carr, Gary Mount, Morris Dean.
2nd Row: Corky Anderson, Garth Brott, Pete Morrelli.
3rd Row: Coach Herb Morrelli, David Lucio, Mike Bishop, Sam Clinton. 4th Row: Ronnie Lucio, Jack Clark, Max Choboian, Ronnie Daniels, Manager Ron Carvalho.

J. V. Baseball

Talented playing and spirited competing were responsible for the freshmen's 5-3-1 record and first place tie with Delano at the time of writing. Coach Blackwill, in his first year at Tulare, was highly respected by his team, as he was by his football and basketball squads; may he be here for many years to come.

Coach Stowell's always contentious J.V. team had an impressive 7-2 record and an eye on the league championship at the time of writing. They were probably the highest scoring J.V. team in the valley, as they scored twenty and thirty runs in several games. Since they were moved off their old diamond by the Western High Mustangs, the team broke in a new one east of the varsity diamond.

Frosh Baseball

Front Row: David Ny, Jimmy Jacques, Dickie Miller, Don Pinheiro, Eugene Dawes. 2nd Row: Dennis Burner, Gary Mello, Joe Artim, John Koehmstedt, Larry Bagley. 3rd Row: Ralph Lizardo, Jerald Whisman, Clifford Carr, Mike Brown. 4th Row: Ken Rix, Jim Ellis, Eddie Henry, Leonard Cardoza, Coach Duane Blackwill.

Jay Williams, Danny Turk, Larry Mullinix, Coach Claude Retherford, Mike Gibson, Gary Atchley, Ray Leak.

Golf

Coach Retherford's team had a 4-4 dual meet record at the time of writing, with two more meets to go. Freshman Denny Turk was not only top among other freshmen, but he was the outstanding member of the entire team. Larry Mulinax was a consistent varsity member, and Mike Gibson, even though he came out late, spurred the team on also. Ray Leak and Ernie Artim both chalked up 135 yard holes-in-one during the season.

Front Row: Jack McMillan, David Ichinaga, Allen Shannon, Herbie Renstrom, Jay Young, Von Shoenhair. 2nd Row: Leonard Reed, Richard Madala, Richard Kirkbride, Gerald Askins, Coach Joe Hansen, Gail Peterson, Bill McCreary, David Van Etten, David Evans.

Boxing

Boxing exists at Tulare High to provide a winter activity for those boys who are interested in body-contact sports. Eight weeks after school were spent this year, three days of which were used for the annual boxing show sponsored by the Letterman's Club. Phil Salazar earned the Title of Outstanding Boxer by his very-near-perfect performances with the gloves. The champions of each weight division were: Danny Burns, 100; Fred Estrada 112; Jerry Grimes, 125; Phil Salazar, 132; Von Shoenhair 139; Junior Cisneros, 147; Bob Duran, 156; Calvin Phelps 165; Roland Ramirez, 175; and Mark Holland, unlimited.

Front Row: Erving Hollowell, Fred Estrada, Danny Burns, Jerry Grimes, Johnny Moore. 2nd Row: Dave Estrada, Burl McDonald, Jim Wilkins, Jim Torres, Phil Salazar, Larry Morris. 3rd Row: Cheryl Lambert, Bob Duran, Mark Holland, Larry Grimes, Calvin Phelps, Roy McCreary, Coach Max Voshall.

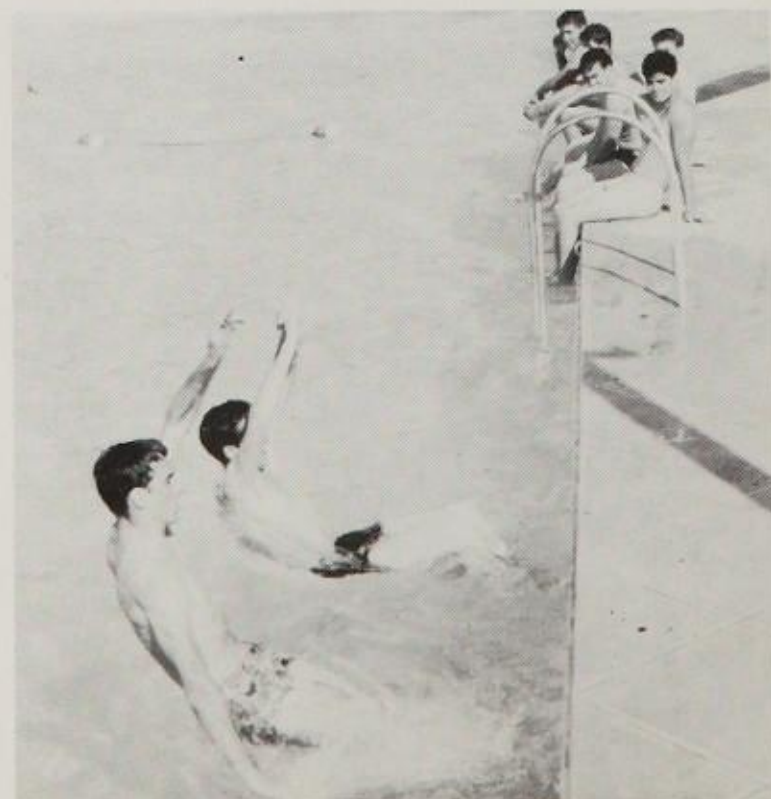

Boy's Swimming

Cold and cloudy weather made for a miserable season. But there were some very good swimmers; Jack Wilson, fastest freestyler; Jim Lambrecht, 100 yard freestyler; Ron Perry, breast-stroker; Dennis Perry, back-stroker; Pete Nielsen, butterfly-stroker; Chuck Smythe, "A" diver; and Dan Jackson, "B" diver. Other good free stylers were: Bill Safarjan, Ben Thrasher, Dennis Perry, and Larry Lynch.

 2nd Row: Duane Davis, Alfred Bonds, Billy Saltzman, Ben Thrasher.
 3rd Row: Mike Garcia, Ronald Perry, Jack Wilson, Bruce Lawson.

2nd Row: Adele White, Ruth Van Houten, Sharon Escher, Joyce Gravlee, Bonnie Court, Dorinda Waldroup, Christy Schumacher, Jesslyn Phelps, Emily Renaud, Vickie Houdyshell, Dannie Howard, Marcia Posson, Patti Paggi.

Girls Swimming

Six weeks is a short time to whip up a championship team; therefore, Tulare's only return from swimming was the sheer enjoyment the swimmers got from being in the water. Twenty-four young women were out for the team. Freshman prospects were good. Three outstanding girls were Emily Renaud in the breast-back-butterfly-crawl medley, Marcia Posson in the breast stroke, and Sharon Escher in the back stroke. Girls best-looking in swim suits were sophomores Bonnie Court and Patti Paggi.

Carl Downing, Virginia Infante, Dennis Perry, Morris Dean, Leonard Reed, Cecelia Medrano, Johnny Castro, Tommy Moreno, Jerry Garvin, Lu Ann Oden, Lou Fraire.

An important part of the Club is the discussion period which is under the leadership of their sponsor, Mr. Lloyd Phillips. Future Teachers, in addition to enduring occasional meetings, performing as teacher's helper in a city grammar school, raising and spending money, and getting in the social swim with other FTA groups in the county, made an impact of sorts with their theatrical endeavors by presenting for, and at the request of the faculty and administration, several skits designed to portray violations of the teacher's Code of Ethics. Needless to say, students enacting teachers who fracture teaching ethics proved informative, entertaining and provocative for teachers as well as student actors.

Key Club

One of the many service clubs on campus is the Key Club, a national group sponsored by the Kiwanis Club. Under the leadership of President Pat Shannon and faculty advisor Mr. Vernon Longlee the club undertook such activities as sponsoring after-game dances and their annual pancake breakfast.

Torch and C.S.F.

Torch Club and the California Scholarship Federation are separate honor societies based on academic grade average; but the similarities in the two have outweighed the differences, and they operate as one organization. Anyone who makes the honor roll is eligible for Torch membership, but

C.S.F. requires practically an A average. Four semesters of C.S.F. eligibility, of which one is earned in the senior year, is the requirement for life membership. Receiving this is not only an honor, but it is an effective key for unlocking the door to higher education.

The organization attends conferences, has a two day field trip for both recreation and educational experience, and awards scholarships to any non-members who show promise to succeed in college work.

Senior Class History

Freshman Parents' Night had its usual fine program and enthusiastic audience with part of the program consisting of a skit to show the benefits of well-balanced meals. The first semester council also produced a successful Columbus Day rally in which Columbus, aided by the doughty Redskins, conquered Mt. Whitney. For service projects the class members wrapped goal posts for one game and assisted in concession stands. In December the traditional Frosh Dance culminated the dance program in the Physical Education Department. Emphasis was on class meeting programs and on the traditional end-of-the-year activities involving decoration of the powder room for the Junior-Senior prom and decoration of the auditorium for the Baccalaureate service.

Sophomores accepted their responsibilities with enthusiasm and hard work. At each home football game one saw the energetic--though frozen--members of the class selling their wares to hungry customers. Selection and ordering of class rings was an important project for the second semester officers and council. They wound up the year by serving refreshments for their noble elders, the Juniors and Seniors, at the Prom. Then in June the Sophomores could be found in the stadium diligently decorating for Commencement.

By presenting a great play full of ardour and vitality the hard-working Juniors were well rewarded for their time and work that went into the play "Room For One More". The class went on to crown a junior, Nadine Burry, as Football Queen. During the second semester, vigorous plans were made to work toward the theme, "Hawaiian Village", for the Junior Senior Prom.

During the first semester, the Senior Class prepared and presented the traditional Christmas Dance at the Town and Country Club. "Anastasia", the Senior Class play, was warmly received and many compliments were given to the hard-working cast who made the production a huge success. The first of many activities that led up to the final receiving of their diplomas was the fitting of the caps and gowns.

Baccalaureate services were held June 12 in the T.U.H.S. Auditorium with the Commencement exercises taking place Monday evening, June 13, in the school stadium. Following graduation an all night party, sponsored by the parents of the graduates, was given. With these memories, hard work, and vigorous enthusiasm for life itself, the Class of '60 ended its unforgettable days at Tulare Union High School.

Junior Class History

Each year bears something
from us as it flies;
We only blow it farther
with our sighs.

As freshmen, the class of '61 made a movie to be shown to the incoming freshmen for the next year. Besides decorating goal posts and running concession stands at the football games, the class decorated the powder room as a room in an old colonial mansion for the prom.

Serving at the prom during their sophomore year brought the Class of '61 a little closer towards becoming upper-classmen. They also had the responsibility and pleasure of choosing their class rings. Their final tribute to the seniors was the decorating for commencement exercises by the Class of '61.

"Down to Earth", the Junior Class play, started the class off well as these talented students produced a terrific comedy. The Class of '61 ended the year in fine style with the traditional Junior Senior Prom at the Memorial Hall.

Well, these wonderful four years have come
to an end. We're done so many things
together - laughing, swimming, fighting, and
walking (L.A.). I will really miss our band
trips. We shouldn't be sad about leaving T.H.S.
We will still have fun at C.O.S. & hope
we will have lots of fun together this summer.
Best wishes for all the happiness in the world.
A friend forever

Best of Luck to you.
You are a real

Sophomore Class History

Nothing is ours except time.

As Freshmen, the Class of 1962 had two prominent activities which were Parents' Night and the decoration of the powder room for the annual Junior-Senior Prom.

Panel discussions at class meetings proved effective in orientating the freshmen at Tulare High School.

Selecting the Junior Class ring was one of the many highlights of the Sophomore Class activities. Activities varied from working in concession stands at football games to serving for the 1960 Prom and decorating for Commencement.

Freshman Class History

Bongo drums were a hit at the Fall Talent Show.

This has been an exciting year for the freshmen. They started off the year with the Frosh dance, held in the armory, in December. A Fall talent show was put on in the same month in which forty-nine freshmen took part. Freshmen Parents' Night was held early in the school year.

Following tradition the freshmen worked in the concession stands and decorated the goal posts and bleachers, for the fourth football game of the year.

In March there was a Frosh Sing-a-ling, with Mr. Charles Knapp leading the freshmen in group singing.

The class put on a Spring talent show in April, decorated the powder room for the Junior-Senior Prom, and decorated for Baccalaureate.

Mrs. Willie Tomlinson was the freshman class advisor for this year.

Bill.

Oh sure has been wonderful knowing you for as long as I have. I've loved every minute of it. You're the sweetest guy I know. Really you are. You know this year has really been alot of fun and now the year is at an end. You know your graduation and it will really make me feel different for me.

This year you really were alot of fun like at the after game dances and all and then getting to go to the prom with you too. Really and really had a wonderful time and you sure made it wonderful for me. It was really nice of you to walk out to class everyday and I guess it was alright even if you did say (Charles was to ask me to the prom I hope you were just kidding) though you didn't sound like it at first. But I am so glad you asked me because I really did have a swell time. And I am sorry that so many things went around because I do know that anything like that would make a guy mad and I wouldn't blame you but I hope you didn't believe them, I hope).

Well after tomorrow you will be out of High School and be in College. And I will probably be alot of work and less fun. I hope I'll get to see you alot next. I hope I'll say good by for now and I hope to see alot of you this summer and next year.

Thank you very much for all of the good times we have had.

Love Always,
Lorie
